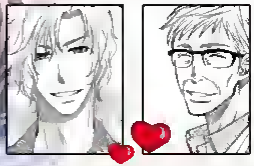
Staff's Comment Box

DP: Who's your ultimate fave couple?

Crystalynn: My #1 favorite couple is Kabu-san and Nirasawa from *Bi no Kyoujin*. Why? They are perfect!

DP: Who's your fave potential couple?

Crystalynn: I want to see the old professor Makoujima and the young professor Tamanaha from *Amakuta Tsumetai* get together. Makoujima's the one that got away :(



To our wonderful staff, collaborators and readers, thanks for your support!

Happy Anniversary, Dangerous Pleasure 11th

Staff's Comment Box

DP: Who's your favourite couple?

***Makai Thief*.** My all time favorite will remain Touma and Sendou from *Double Call* because... c'mon everyone knows I love Hiiro Reichi 'nuff said

DP: Who's your fave potential couple?

***MT*.** I still remember how sad I was seeing how heartbroken Kyouya from *Tsumasaki ni Kiss* was when Homura chose Touji over him. I have nothing against Touji but I wished for Kyouya's happiness with Homura more (he eventually found his own happiness but that's another story)

To our wonderful staff, collaborators and readers, thanks for your support!

Postscript

Hello there! I am Hanamura

This is the third miracle I've received from God and Shinshokan
I've managed to compile "Muna Ga Kowaresou" into a complete book
It's really like a dream to me... This is really all thanks to the people who have read my comics. If it's possible, I really want to go on a tour to give hugs to all my fans (but I'll stop myself from doing so as it seems like it'll cause trouble to a lot of people.)

Once again, my comic is about these air-headed characters, but it will make me really happy if you can enjoy reading about them in your free time.

To the Editing Department of Shinshokan, my Editor who helped me out so much, everyone who was involved in the production and marketing of this book, those who have read this story while it was being run in Dear+ magazine, and you who have purchased this book, I extend my deepest gratitude from the bottom of my heart.
Thank you so, so much!
